

CONSTRUCTION/TRAFFIC NOTICE

The Los Angeles County Sanitation Districts will begin work that requires closure of one southbound lane on Western Avenue near the 5TH Street cul-de-sac. A 6-inch bore hole is necessary to examine the Districts' Clearwater Tunnel—which is located 370 feet below ground—as part of its investigation. Workers will drill a bore hole that will allow us to send a remote camera down to the tunnel to determine the current condition at this depth. There are no safety issues or concerns for the area while this work takes place.

Estimated Start Date: **August 27, 2025**

Working Hours: **Monday – Friday
8:30AM to 4:00PM**

Duration: **2-3 weeks
(depending on
drilling progress)**

Commuters and local residents should expect a one-lane closure in the right southbound lane on Western Avenue. Expect traffic delays along Western Avenue and Weymouth Avenue during weekday work hours. Please use caution when driving through the work area.

For information and details about the Clearwater Tunnel project please visit www.clearwater.lacsd.org. Questions or concerns? Please contact Maria Rosales-Ramirez at mrosales@lacsd.org or (562) 908-4288, ext. 2311.

We appreciate your patience and cooperation during this important infrastructure work.
